GOLF IN SHROPSHIRE

Scotland may have invented the ancient game of golf; but it is in Shropshire, arguably, that the game can be played at its best. In this Shropshire Golf guide you will find a selection of the very best that Shropshire can offer, including a course voted as one of the best in the world. No mean feat when you see the competition.

Those well-known wielders of the club, Sandy Lyle and Ian Woosnam both hail from here and honed their skills on Shropshire's challenging courses. Something in the water you might think? More like something in the rocks! It's Shropshire's geology that gives us more than our fair share of diverse courses.

Here you'll find a selection of some of the 30 golfing venues to be found in the beautiful Shropshire countryside. There are 18 hole parkland courses, 18 hole championship courses, 9 hole courses, driving ranges and, if you want to make the most of it, golfing holidays for beginners, intermediate and club players. The nineteenth hole awaits!

As for those who may bleat plaintively about being golf widows (or for that matter widowers) fear not. Shropshire has an equally wide selection of fine shopping, pubs, restaurants and other distractions to entertain, tempt and amuse.
