As you have joined membership of Shropshire Tourism or one of the tourism associations in Shropshire, your web entry can comprise of up to 1000 words of text and five images.

There is one single database that is used to update your information on all the websites that Shropshire Tourism operates. These websites are:

**County website:** [www.shropshiretourism.co.uk](http://www.shropshiretourism.co.uk)

**District websites** (under joint membership agreements): [www.visitshrewsbury.com](http://www.visitshrewsbury.com), [www.visitbridgnorth.com](http://www.visitbridgnorth.com), [www.visitshropshirehills.co.uk](http://www.visitshropshirehills.co.uk), [www.northshropshire.co.uk](http://www.northshropshire.co.uk)

Shropshire Tourism are also the local data stewards for 'Englandnet' - the national tourism product database. If you are inspected by VisitBritain or the AA your data will also be featured on the national websites. These websites are:

**National websites:** [www.visitbritain.com](http://www.visitbritain.com), [www.enjoyengland.com](http://www.enjoyengland.com)

Please note, that as all the websites listed above use the same database any amendment will automatically alter the information that is presented across every site.
