

# Website Data Entry Form

## Caravan & Camping Accommodation

Shropshire Tourism is the official body responsible for maintaining all of Shropshire's accommodation and attraction web data records on the national EnglandNet system. This system powers the website entries on the [www.visitbritain.com](http://www.visitbritain.com), [www.enjoyengland.com](http://www.enjoyengland.com) and [www.visitheartofengland.com](http://www.visitheartofengland.com) websites.

Please note, that as all the websites listed use the same database and the same information any amendment will automatically alter the information that is presented across every site.

Although all known tourism businesses in Shropshire will have a record entry on the EnglandNet database, only members will appear on county and district sites where eligible.

**County website:** [www.shropshiretourism.co.uk](http://www.shropshiretourism.co.uk)

**District websites** (under joint membership agreements):
